## HOUSING AND MEAL PLANS

“Living in housing gives you the opportunity to meet all types of people that you never would have had the opportunity to meet otherwise. Making friends is an important part of college, and LTU housing makes that possible.”

Charles Gould, BSAr'24

## Get the most out of your experience

at Lawrence Technological University by living on campus. LTU residence halls offer an environment designed to help you fulfill your academic, social, cultural, and personal goals. Students living on campus perform better academically, feel a stronger connection to their university, and are more satisfied with their college experience. On-campus housing also provides easy and convenient access to University facilities, activities, and sporting events.

All accepted full-time students are eligible to live on campus. First-year students are expected to do so, as planned activities and first-year student initiatives ease the transition from high school to university.

### The Residence Halls

Lawrence Tech has four residence halls, all of which provide (at no extra cost):

- Lounges in which you can watch television, study, or socialize
- Wireless Internet, email, and access to the University network
- All utilities (heat, air conditioning, water, electricity, and gas)
- Convenient free parking
- Free laundry

### A Supportive, Knowledgeable Staff

LTU's housing staff will assist you in all aspects of your collegiate experience. They are committed to:

- Providing a safe and healthy environment
- Promoting the idea of community living by emphasizing personal responsibility and respect for others
- Creating opportunities for student involvement and personal development
- Offering advice and information

Each residence hall has at least one resident assistant per floor, a student-staffed Information Desk, and a professional staff member – a University employee responsible for staff supervision and resident support.

### First-Year Experience

A close-knit community within the East Residence Hall, the First-Year Experience is designed to assist first-year students' transition to college life. The housing staff provides academic and personal support as well as special activities and events.

### Transfer & Graduate Students

Transfer and graduate students live in the residence halls with other students and are matched with roommates who share similar interests. The resident assistant on the floor can help students make connections with their peers, plan social events, and provide other resources and referrals pertinent to the needs of transfer and graduate students.

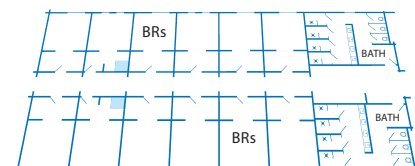

### East Residence Hall

This new four-story freshman residence hall houses 308 students in 154 rooms. The rooms accommodate two students each and include 12 x 11 bedrooms with built-in closets. Each student in a room has a twin XL bed, desk, desk chair, and dresser.

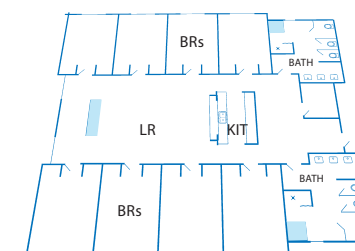

The hall also features:

- Communal living rooms, bathrooms, and laundry rooms
- Quiet study rooms
- Reading rooms
- Game room
- Fitness center
- Indoor bike storage
- Music lounge

### Lloyd E. Reuss Residence Hall

This two-story residence hall accommodates 150 residents in 80 rooms. The rooms house two students each and are arranged in pods of eight rooms with communal living rooms, kitchens, bathrooms, and laundry rooms. Each student has a twin XL bed, individual closet, desk, desk chair, and dresser.

## Meal Plans

The cafeteria is an all-you-care-to-eat dining area set in the heart of campus. Meals are served seven days a week. The Café offers a variety of selections at different food stations. You simply swipe your ID card and a meal is deducted from your meal plan. You can use your Blue Devil Dollars, which are a part of each meal plan, at the on-campus Einstein Bros. Bagels or the P.O.D. (Provisions on Demand), as well as at a popular local pizza place.

All residential students are required to purchase meal plans.

Commuter students wishing to purchase a meal plan should contact the Office of Dining Services.

## 2023–24 Meal Plan Options
